James N. Murray
School Nutrition Food Services Director

Dear Parent or Guardian

From the Food Service Director office at the Hudson Falls Central School District

Topic: Food Service meals available during a COVID-19 event or School Closure

As a district, we are committed to making sure, every student 18 yrs old and younger who are enrolled in our schools are provided a Nourishing meal for both Breakfast and Lunch. **If the district closes a School or the entire district is closed for any event related to the COVID-19 virus**, we will be providing the following items and instructions for feeding. The district will adapt the Summer School Feeding site procedures with the following being offered for pick up at the **Primary School Building** at 47 Vaughn Road, Hudson Falls N.Y. 12839.

In the event of a school related COVID-19 school closure both **Breakfast Grab and Go**, and **Lunch Grab and Go** will be provided Monday-Friday. Please Check the school website, letters of communications, school Facebook pages, and broadcasts for all information regarding the services being provided.

Each student or parent may come to the Primary Schools front entrance area to pick up a student's meal as follows:

Breakfast: Hours for pick up are 7:45am-8:30am

Lunch: Hours for pick up are 11:45am-12:15pm

If for any reason the Primary School is unable to accommodate the distribution of the meals due to a closure, the next available School will be used. This will be communicated as stated above. Please check daily the schools web page for changes and or location information. During these unprecedented times, we are dedicated to serving the Children of this district with healthy, Nourishing meals. We are working Closely with the Child Nutrition Program and State officials. Please if you have any questions about this communication and the Meals to be provided, please feel free to reach out to me @ 518-681-4119.

Thank you,

James Murray

School Nutrition Food Services Director
