2021-22 School Year New York State Immunization Requirements for School Entrance/Attendance¹

NOTES:
Children in a prekindergarten setting should be age-appropriately immunized. The number of doses depends on the schedule recommended by the Advisory Committee on Immunization Practices (ACIP). Intervals between doses of vaccine should be in accordance with the ACIP-recommended immunization schedule for persons 0 through 18 years of age. Doses received before the minimum age or intervals are not valid and do not count toward the number of doses listed below. See footnotes for specific information for **each** vaccine. Children who are enrolling in grade-less classes should meet the immunization requirements of the grades for which they are age equivalent.

Dose requirements MUST be read with the footnotes of this schedule

Vaccines	Prekindergarten (Day Care, Head Start, Nursery or Pre-k)	Kindergarten and Grades 1, 2, 3, 4 and 5	Grades 6, 7, 8, 9, 10 and 11	Grade 12

Tetanus and Diphtheria toxoid-containing vaccine and Pertussis vaccine adolescent booster (Tdap)³	Not applicable		1 dose	
Polio vaccine (IPV/OPV)⁴	3 doses	4 doses or 3 doses if the 3rd dose was received at 4 years or older		
Measles, Mumps and Rubella vaccine (MMR)⁵	1 dose	2 doses		
Hepatitis B vaccine⁶	3 doses	3 doses or 2 doses of adult hepatitis B vaccine (Recombivax) for children who received the doses at least 4 months apart between the ages of 11 through 15 years		
Varicella (Chickenpox) vaccine⁷	1 dose	2 doses		
Meningococcal conjugate vaccine (MenACWY)⁸	Not applicable		Grades 7, 8, 9, 10 and 11: 1 dose	2 doses or 1 dose if the dose was received at 16 years or older
Haemophilus influenzae type b conjugate vaccine (Hib)⁹	1 to 4 doses	Not applicable		
Pneumococcal Conjugate vaccine (PCV)¹⁰	1 to 4 doses	Not applicable		

1. Demonstrated serologic evidence of measles, mumps or rubella antibodies or laboratory confirmation of these diseases is acceptable proof of immunity to these diseases. Serologic tests for polio are acceptable proof of immunity only if the test was performed before September 1, 2019 and all three serotypes were positive. A positive blood test for hepatitis B surface antibody is acceptable proof of immunity to hepatitis B. Demonstrated serologic evidence of varicella antibodies, laboratory confirmation of varicella disease or diagnosis by a physician, physician assistant or nurse practitioner that a child has had varicella disease is acceptable proof of immunity to varicella.
2. Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine. (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive a 5-dose series of DTaP vaccine at 2 months, 4 months, 6 months and at 15 through 18 months and at 4 years or older. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose. However, the fourth dose of DTaP need not be repeated if it was administered at least 4 months after the third dose of DTaP. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
 - b. If the fourth dose of DTaP was administered at 4 years or older, and at least 6 months after dose 3, the fifth (booster) dose of DTaP vaccine is not required.
 - c. For children born before 1/1/2005, only immunity to diphtheria is required and doses of DT and Td can meet this requirement.
 - d. Children 7 years and older who are not fully immunized with the childhood DTaP vaccine series should receive Tdap vaccine as the first dose in the catch-up series; if additional doses are needed, use Td or Tdap vaccine. If the first dose was received before their first birthday, then 4 doses are required, as long as the final dose was received at 4 years or older. If the first dose was received on or after the first birthday, then 3 doses are required, as long as the final dose was received at 4 years or older.
3. Tetanus and diphtheria toxoids and acellular pertussis (Tdap) adolescent booster vaccine. (Minimum age for grades 6 and 7: 10 years; minimum age for grades 8 through 12: 7 years)
 - a. Students 11 years or older entering grades 6 through 12 are required to have one dose of Tdap.
 - b. In addition to the grade 6 through 12 requirement, Tdap may also be given as part of the catch-up series for students 7 years of age and older who are not fully immunized with the childhood DTaP series, as described above. In school year 2021-2022, only doses of Tdap given at age 10 years or older will satisfy the Tdap requirement for students in grades 6 and 7; however, doses of Tdap given at age 7 years or older will satisfy the requirement for students in grades 8 through 12.
 - c. Students who are 10 years old in grade 6 and who have not yet received a Tdap vaccine are in compliance until they turn 11 years old.
4. Inactivated polio vaccine (IPV) or oral polio vaccine (OPV). (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive a series of IPV at 2 months, 4 months and at 6 through 18 months, and at 4 years or older. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
 - b. For students who received their fourth dose before age 4 and prior to August 7, 2010, 4 doses separated by at least 4 weeks is sufficient.
 - c. If the third dose of polio vaccine was received at 4 years or older and at least 6 months after the previous dose, the fourth dose of polio vaccine is not required.
 - d. For children with a record of OPV, only trivalent OPV (tOPV) counts toward NYS school polio vaccine requirements. Doses of OPV given before April 1, 2016 should be counted unless specifically noted as monovalent, bivalent or as given during a poliovirus immunization campaign. Doses of OPV given on or after April 1, 2016 should not be counted.
5. Measles, mumps, and rubella (MMR) vaccine. (Minimum age: 12 months)
 - a. The first dose of MMR vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.
 - b. Measles: One dose is required for prekindergarten. Two doses are required for grades kindergarten through 12.
 - c. Mumps: One dose is required for prekindergarten. Two doses are required for grades kindergarten through 12.
 - d. Rubella: At least one dose is required for all grades (prekindergarten through 12).
6. Hepatitis B vaccine
 - a. Dose 1 may be given at birth or anytime thereafter. Dose 2 must be given at least 4 weeks (28 days) after dose 1. Dose 3 must be at least 8 weeks after dose 2 AND at least 16 weeks after dose 1 AND no earlier than age 24 weeks (when 4 doses are given, substitute “dose 4” for “dose 3” in these calculations).
 - b. Two doses of adult hepatitis B vaccine (Recombivax) received at least 4 months apart at age 11 through 15 years will meet the requirement.
7. Varicella (chickenpox) vaccine. (Minimum age: 12 months)
 - a. The first dose of varicella vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.
 - b. For children younger than 13 years, the recommended minimum interval between doses is 3 months (if the second dose was administered at least 4 weeks after the first dose, it can be accepted as valid); for persons 13 years and older, the minimum interval between doses is 4 weeks.
8. Meningococcal conjugate ACWY vaccine (MenACWY). (Minimum age for grades 7 and 8: 10 years; minimum age for grades 9 through 12: 6 weeks).
 - a. One dose of meningococcal conjugate vaccine (Menactra, Menveo or MenQuadfi) is required for students entering grades 7, 8, 9, 10 and 11.
 - b. For students in grade 12, if the first dose of meningococcal conjugate vaccine was received at 16 years or older, the second (booster) dose is not required.
 - c. The second dose must have been received at 16 years or older. The minimum interval between doses is 8 weeks.
9. Haemophilus influenzae type b (Hib) conjugate vaccine. (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive Hib vaccine at 2 months, 4 months, 6 months and at 12 through 15 months. Children older than 15 months must get caught up according to the ACIP catch-up schedule. The final dose must be received on or after 12 months.
 - b. If 2 doses of vaccine were received before age 12 months, only 3 doses are required with dose 3 at 12 through 15 months and at least 8 weeks after dose 2.
 - c. If dose 1 was received at age 12 through 14 months, only 2 doses are required with dose 2 at least 8 weeks after dose 1.

HFCSD Chromebook User Guidelines and Acceptable Use Policy Student Account Grades 6-12 Hudson Falls Central School District, Hudson Falls, NY 12839

HFCSD is pleased to offer our students individual access to Chromebooks in grades 6-12. Access to Chromebooks are a privilege, not a right, and are to be used by HFCSD students only. They are provided to enhance, enrich and facilitate teaching and learning. Chromebooks are to be used for school related use, curriculum support, research, communications and other instructional purposes. We believe the advantages to having access to digital resources far outweigh any disadvantages to not providing access to technology in the school environment. To that end, students and staff have participated in appropriate trainings and use Positive Behavior Intervention Strategies to help facilitate the use of technology in the classroom.

The following guidelines are provided to help manage the use of this equipment. These guidelines apply to Chromebooks owned by HFCSD.

1. Chromebooks used by school district students remain the legal property of HFCSD.
2. Before a Chromebook is issued, the student and parent must sign the HFCSD Chromebook User Agreement, as well as the HFCSD Acceptable Use Policy. Both the User Agreement and the Acceptable Use Policy will remain on file with IT Administration.
3. Students will be responsible for any data on the Chromebook outside of the default image. Any intentional malicious activity caused by student data will be the student's sole responsibility.
4. In the event of problems with the Chromebook, the user will immediately bring it to the attention of the teacher and/or IT Department.
5. Chromebooks will be turned in at the end of the year for all students 6-11 or prior to a student transferring out of the district. Chromebooks can be turned in directly to the IT Dept located in the High School.
6. It is the student's responsibility to keep their assigned Chromebook secure and protected at all times.

Safe Care and Use

1. Chromebooks should be shut down when not in use to conserve battery life and at the end of each day.
2. Never leave Chromebooks in an unsecure location or unattended in a classroom.
3. It is your responsibility to return your Chromebook at the end of each day to its designated charging station or arrive at school prepared with a fully charged Chromebook.
4. Carry your Chromebook closed. Do not place anything on the keyboard before closing the lid. (pens, earbuds, notebooks)
5. Keep drinks, food, lotions, liquids of any kind and other harmful materials away from your Chromebook.

HFCSD Chromebook User Agreement And Acceptable Use Policy

- I will take good care of my Chromebook knowing that I will be issued the same Chromebook each year
- I will never leave my Chromebook unattended or in an unsecured or unsupervised location
- I will not loan my Chromebook to others
- I will be responsible for charging my Chromebook
- I will use my Chromebook for educational purposes only
- I will be responsible for all damage caused by neglect or abuse
- I understand any form of cyberbullying or online harassment is strictly prohibited and will result in removal of all email and Internet privileges
- I understand that failure to return my Chromebook if I move or at the end of the school year will be considered unlawful appropriation of public school property
- I understand that the use of the Internet as part of my educational program is a privilege, not a right, and inappropriate use will result in removal of these privileges

This application indicates that you agree and will follow the guidelines and regulations for Internet access and use of your Chromebook.

TRANSFER NOTIFICATION FORM GUIDELINES

- A Transfer Notification Form **MUST** be completed and submitted to the Section 2 office for any student having a change in registration and wishes to participate in sports.
- Upon receipt in the Section office, the student is eligible to practice, but cannot participate in a contest until approved by the Section.
- Incomplete forms will be returned.
- Make sure all available information/documentation is submitted prior to the Transfer Committee's review. **NO** appeal will be entertained involving additional information that **WAS AVAILABLE** but not included at the time of the original submission.
 - Example: For a Health & Safety Waiver alleging bullying and was reported to the police, the police report should be included with the submission. If it was available and just not submitted and there is no other information/documentation to support the waiver, the transfer will be denied and **NO APPEAL** will be entertained.

- **Waiver Requests:**
 - **Financial (#1):** This is for a student that due to a significant increase in expenses or a significant loss of income the family can no longer, due to the financial hardship, afford to send the student to a particular school.
 - The family must supply to the Athletic Director written description outlining the circumstances that led to the financial hardship.
 - Appropriate documentation must be supplied to the Athletic Director to support the financial hardship. This may include the following:
 - Evidence of loss of income or change in financial obligation that are not self-imposed.
 - Family W2 forms – pay stubs
 - Notarized statement from parent(s)
 - Statement from employer or professional with knowledge of circumstances
 - Most recent tax returns – two (2) years
 - Tuition invoice(s)
 - The above required documents can either be submitted to the Section 2 office with the Transfer Notification or directly by the previous school to the Section 2 office. However, no action will be taken by the Transfer Committee without these required documents.
 - This is different from a Divorced/Legally Separated Parents case where the receiving school's Athletic Director just needs to see the required legal document to confirm that it has been filed with the County Clerk or issued by a Judge
 - **Health & Safety (#2):** These could be for safety, mental health, personal relationships and other similar circumstances.
 - The previous school must supply to the Athletic Director written documentation from the Superintendent or High School Principal of the previous school indicating the specific circumstances which necessitated the transfer.
 - Any supporting documentation from a third party outside of the school may be submitted. (example: police report, DASA reports, diagnosis from health care professional treating student, etc.)

- The above required documents can either be submitted to the Section 2 office with the Transfer Notification or directly by the previous school to the Section 2 office. However, no action will be taken by the Transfer Committee without these required documents.
 - This is different from a Divorced/Legally Separated Parents case where the receiving school's Athletic Director just needs to see the required legal document to confirm that it has been filed with the County Clerk or issued by a Judge.
- **School District of Residence (#3):** In this case there is no change in residence of the student. It involves only a change in registration. (example: A student lives in Guilderland but attends CBA. The student now is transferring to Guilderland HS. That would be approved. If the student transferred to Watervliet, but is residing in Guilderland, that would be denied.)
 - It is important that the previous address and the present address are the same. (#15 & #16)

➤ **Exemptions:**

- **Divorced/Legally Separated Parents (#4):** A student from divorced or "legally" separated parents who moves into a new school district with one of the aforementioned parents. Such a transfer is allowed once every six (6) months. The legal separation agreement or divorce document **MUST** address custody, child support, spouses support and distribution of assets **AND** be filed with the County Clerk or issued by a Judge.
 - The following are examples:
 - A student who lives with one parent in the previous school district and now goes to live with the other parent in the receiving school district. (This is NOT a simple Residency Change. It is a Divorced/Legally Separated Parents case.)
 - A student who lives with both parents in the previous school district and now moves with only one of the parents into the receiving school district.
 - A student who lives with one parent in the previous school district and now moves with that same parent into the receiving school district. This is a Residency Change, NOT a Divorced/Legally Separated Parents case.
 - **Proof is Required –**
 - The parent(s) must provide to the Athletic Director a copy of the legal document that has been filed with the County Clerk or issued by a Judge.
 - Both the Athletic Director and the parent(s) must sign the Notification Form in this Section. By signing it the parent(s) are attesting to the fact that the proper documentation has been provided and the Athletic Director attests to the fact that he/she has received/verified the required documentation.
- **Homeless (#5):** This is for a student that has been declared homeless by the Superintendent under McKinney-Vento Legislation (NYSED 100.2).
 - The STAC form must be completed and on file at the receiving school.

➤ **No Corresponding Change of Address (#6):** This is for students that do not have a corresponding change of address (immediate/entire family), nor does the transfer fall under a waiver or exemption list above.

- By checking this category the Athletic Director and parents understand that the student is ineligible per the NYSPHSAA Transfer Rule and is subject to the limitation contained in the NYSPHSAA Handbook #31(b) passed in July 2019.

- ***A student who transfers without a corresponding change of residence of his/her parents (or other person(s) with whom the student has resided for at least six months prior) is ineligible to participate at the varsity level in any interscholastic athletic contest in a particular sport for a period of one (1) year if as a 9-12 student participated in that sport during the one (1) year period immediately preceding his/her transfer. NOTE: Students in grades 7-10, shall be eligible to participate at the sub-varsity level and practice at all levels, while students in grades 11-12 shall be limited to practice (all levels) only. (July 2019)***
- **Residency Change (#7):** The immediate/entire family has abandoned the previous address and has physically moved and is residing at the current address. The mere renting of property within the District does not confer residency.
- **#8 – Parent Signature –** The parent(s) are attesting to the information and documentation they have provided to the school district as being true and accurate. In the case of a Residency Change, they are also attesting that they have abandoned the previous address and entire family has moved to the present address.
- **#9 to #19:** These questions are very important and for the most part are self-explanatory. The Athletic Director should complete each of these questions with the assistance of the parents and Receiving School’s admissions office.
- **#20 & #21b:** The Athletic Director of the Receiving School should contact the Previous School and answer each of these questions. If unable to obtain the answers after attempting to contact the Previous School on three (3) different occasions, complete #21b.
- **#22:** The Receiving School Athletic Director must sign and date here. This signature confirms that he/she has reviewed and verified all the information on this document and that it is accurate and true to the best of his/her knowledge.
- **#23:** The Athletic Director should explain to the Superintendent and High School Principal that by signing this document they are responsible for verification of statement and other eligibility requirements. It is more than a simple signature that a student has transferred to this District.
