Chromebook User Guidelines and Acceptable Use Policy

HFCSD is pleased to offer our students individual access to Chromebooks in grades K-12. Access to Chromebooks are a privilege, not a right, and are to be used by HFCSD students only. They are provided to enhance, enrich and facilitate teaching and learning. Chromebooks are to be used for school related use, curriculum support, research, communications and other instructional purposes. We believe the advantages to having access to digital resources far outweigh any disadvantages to not providing access to technology in the school environment. To that end, students and staff have participated in appropriate trainings and use Positive Behavior Intervention Strategies to help facilitate the use of technology in the classroom.

The following guidelines are provided to help manage the use of this equipment. These guidelines apply to Chromebooks owned by HFCSD.

- 1.Chromebooks used by school district students remain the legal property of HFCSD.
- 2.Before a Chromebook is issued, the student and parent must sign the HFCSD Chromebook User Agreement, as well as the HFCSD Acceptable Use Policy. Both the User Agreement and the Acceptable Use Policy will remain on file with IT Administration.
- 3.Students will be responsible for any data on the Chromebook outside of the default image. Any intentional malicious activity caused by student data will be the student's sole responsibility.
- 4.In the event of problems with the Chromebook, the user will immediately bring it to the attention of the teacher and/or IT Department.
- 5.Chromebooks will be turned in at the end of the year for all students 6-11 or prior to a student transferring out of the district. Chromebooks can be turned in directly to the IT Dept located in the High School.
- 6.It is the student's responsibility to keep their assigned Chromebook secure and protected at all times.
Safe Care and Use

- 1.Chromebooks should be shut down when not in use to conserve battery life and at the end of each day.
- 2.Never leave Chromebooks in an unsecure location or unattended in a classroom.
- 3.It is your responsibility to return your Chromebook at the end of each day to its designated charging station or arrive at school prepared with a fully charged Chromebook.
- 4.Carry your Chromebook closed. Do not place anything on the keyboard before closing the lid. (pens, earbuds, notebooks)
- 5.Keep drinks, food, lotions, liquids of any kind and other harmful materials away from your Chromebook.

Chromebook User Guidelines and Acceptable Use Policy

- I will take good care of my Chromebook knowing that I will be issued the same Chromebook each year
- I will never leave my Chromebook unattended or in an unsecured or unsupervised location
- I will not loan my Chromebook to others
- I will be responsible for charging my Chromebook
- I will use my Chromebook for educational purposes only
- I will be responsible for all damage caused by neglect or abuse
- I understand any form of cyberbullying or online harassment is strictly prohibited and will result in removal of all email and Internet privileges
- I understand that failure to return my Chromebook if I move or at the end of the school year will be considered unlawful appropriation of public school property
- I understand that the use of the Internet as part of my educational program is a privilege, not a right, and inappropriate use will result in removal of these privileges

This application indicates that you agree and will follow the guidelines and regulations for Internet access and use of your Chromebook.
