Note to Students

Joining clubs and activities at school is a great way to be involved in your school community and develop lifelong interests. Extracurricular activities are key to a well-rounded education. The Hudson Falls Central School District, across its five school buildings, is proud to offer more than 60 clubs, extracurriculars, and intramurals that our students can participate in. There is something for everyone!

If you are interested in joining any of the extracurricular activities that you see listed in this catalog, please contact your school counselor or the staff advisor listed for the activity.

KINDERGARTEN CENTER

A student's participation in school wide activities helps hone communication skills, foster creative thinking, and improve leadership ability. While there are currently no clubs at the Kindergarten Center, our youngest students are invited to participate in the following activities.

Hudson Falls Fire Department Visits

Aimed at teaching fire safety to our youngest students, the Hudson Falls Fire Department visits the Kindergarten Center each October for Fire Safety Month. Then, in June, students take a field trip to visit the Hudson Falls Fire Department. Attendees will take a tour of the fire station and participate in a fire safety education program. This is open to kindergarten students only.

Halloween Parades

To celebrate Halloween, students are invited to participate in their respective grades' Halloween Parade. The UPK classes hold a walk to the Strand Theater on Halloween, and the kindergarten classes have their separate parade later in the day.

Snow Plow Safety

In November, the Kindergarten Center arranges a snow plow visit to the school. The driver teaches the students about the importance of snow removal and how to be safe during the winter season. This is open to UPK and kindergarten students.

PTSA Craft Night

The Parent Teacher Student Association hosts a Craft Night for students at our Kindergarten Center. Through arts and crafts, students have a space to express their creativity and imagination while learning to take pride in their work. PTSA Craft Night is open to UPK and kindergarten students.

Class Carnival

In June, our UPK classes set up a carnival on campus. UPK Students are invited to play games, win prizes, and participate in activities centered around the theme of the carnival. On the same day, our kindergarten classes will be treated to a field trip.

Field Trip to Hudson Falls Police Station

The Kindergarten Center hosts an annual field trip in June to the local police station. Students are invited to tour the station, learn about the duties of a police officer, and see the holding cells, fingerprint machines, camera equipment, patrol vehicles, and more. This activity is only open to kindergarten students.

Field Trip to Hudson Falls Public Library

Once a month, our kindergarten students take a walking trip to the Hudson Falls Public Library where they are treated to story time by one of the staff members. These outings are a wonderful opportunity to connect our students to all that our village library has to offer both during and after the school day.

STEAM Days

Twice a year, our National Honor Society students volunteer to spend a day with our UPK and kindergarten students at a variety of STEAM (Science, Technology, Engineering, Arts and Mathematics) stations. From programming and coding a mouse to making their very own snow, these activities introduce students to the world of science, technology, engineering and mathematics.

Ag Club

Staff Advisor: Heather Graham

Is your child curious about where their food comes from? The Ag Club offers a fun and engaging way for Primary School students to learn about agriculture. Each month, we'll focus on a different aspect of farming, from planting and harvesting to animal care and farm operations. Local farmers will visit to share their expertise through interactive presentations and activities, and students will have the opportunity to experience farm life firsthand with field trips to local farms.

Advanced Chess Club

(Third Grade Only)

Staff Advisor: Jordan Beck

Advanced Chess Club is for students who have joined the New Player Chess Club and are now second-year club members. As the year progresses, the club will work on more advanced chess tactics, strategies, and openings. The club concludes by hosting a tournament, complete with prizes.

Animal Science Club

(First/Second Grade Only)

Staff Advisor: Heather Graham

The Animal Science Club is a fun and educational program for young scientists. Students will explore the fascinating world of animals, learning about animal body parts and how they help animals survive in their habitats (Grade 1). They'll also discover what animals need to survive, how they depend on each other and the importance of biodiversity for a healthy ecosystem (Grade 2).

Battle of the Books

(Third Grade Only)

Staff Advisor: Karen Nassivera

Each year, America's Battle of the Books provides a list of books for the local chapters throughout the nation. Students are challenged to read the books on the list to prepare for "Battles," a full-day tournament or game, in which student teams compete against other schools to earn points by answering questions about the books on the book lists.

Chorus Club

(Third Grade Only)

Staff Advisor: Andrew Schneider

Our Chorus Club is a performance-based group where students work on musical numbers that are performed for two concerts during the school year. One concert is held in the winter. The other is held in the spring during the Primary School fine arts night. No prior club experience is needed to participate, just your voice and a can-do attitude!

Lego Club

(Third Grade Only)

Staff Advisor: Heather Graham

Does your child love LEGOs and engineering? This club offers weeks of creative fun, teamwork and hands-on building challenges. Kids will have the opportunity to design and build amazing new creations each week, fostering their imagination and problem-solving skills.

New Player Chess Club

(Second/Third Grade Only)

Staff Advisor: Jordan Beck

Chess Club starts with the most basic rules of chess and gets as advanced as we can in the time we have. This introduction level club is perfect for beginners looking to engage in the game of chess with other players of a similar skill level. At the end of the school year, the club organizes a tournament complete with prizes.

Origami Club

Staff Advisor: Julianna Powhida

Origami is a paper-folding craft to create both two-dimensional and three-dimensional subjects. The fun, inexpensive crafts make great decorations and gifts. From paper cranes to fortune tellers, there is an origami model for just about anything students can think of.

INTERMEDIATE SCHOOL

Band

(Fifth Grade Only)

Staff Advisor: Brittany Plano

Band aims to introduce students to the fundamentals of playing a musical instrument in a group setting. Students will learn basic music theory, technique, and performance skills through playing a variety of musical styles.

Prerequisite: Registering for band class (including lessons during the school day).

Battle of the Books

(Fourth Grade Only)

Staff Advisor: Melanie Healy

Each year, America's Battle of the Books provides a list of books for the local chapters throughout the nation. Students are challenged to read the books on the list to prepare for "Battles," a full-day tournament or game, in which student teams compete against other schools to earn points by answering questions about the books on the book lists.

Battle of the Books

(Fifth Grade Only)

Staff Advisor: Brett Wilson

Together, the club reads ten books one by one, ranging from biographies to fiction chapter books. The advisor for the club will check for student comprehension of chapters by introducing review games and activities. Participants will prepare to compete in the Battle of the Books competition held at SUNY Adirondack each March.

Chess Team

(Third/Fourth/Fifth Grade Only)

Staff Advisor: Jordan Beck

Chess Team takes Chess Club to the next level, creating a season similar to that of a sports team. This team is for a select group of students who have shown excellent chess skills and commitment. The group is invite-only at this time. The club will have two practices each week, fun events every other Saturday, and end the year with the New York State Scholastic Chess Championship tournament in Saratoga!

Chorus Club

Staff Advisor: Andrew Schneider

This club is a performance-based group where students come together and work on music to sing for two concerts each school year. One concert will be in the winter, the other will be in the spring. No prior club experience is needed to participate. Just your voice and can-do attitude!

Climate Action Project Club

Staff Advisor: Heather Craner

The Climate Action Project is a free virtual six-week project where teachers and students collaborate on environmental topics. The club brings Hudson Falls students together to collaborate for conservation. Throughout the project, classrooms will explore the causes and effects of climate change. Students will have the opportunity to develop solutions to the climate crisis and take action.

Create a Comic Club

Staff Advisor: Brett Wilson

This club is dedicated to teaching students about the creation process of a comic book, from early script writing to artwork outlining. Each meeting is divided in half. The first half dedicated to an introductory concept and the second half dedicated to students applying what they learned to their own comic. Student comics will be laminated and bound together at the end of the year so students can walk out with their own completed comic books.

Intro to Boys' Basketball

(Fourth/Fifth Grade Only)

Staff Advisor: Greg Smith

The Intro to Boys' Basketball club brings together fun and fundamentals, giving participants a solid introduction to the sport of basketball and an understanding of team play. As they grow, the club will set student-athletes up for a future in the sport.

Intro to Girls' Basketball

(Fourth/Fifth Grade Only)

Staff Advisor: Ethan Doak

The Intro to Girls' Basketball club brings together fun and fundamentals, giving participants a solid introduction to the sport of basketball and an understanding of team play. As they grow, the club will set student-athletes up for a future in the sport.

Music Practice Club

Staff Advisor: Brittany Plano

Music Practice Club is an opportunity for student musicians participating in band and orchestra to receive extra help and get a jump start on their weekly practice requirements.

New Player Chess Club

Staff Advisor: Jordan Beck

For students who are new to the game of chess, the New Player Chess Club teaches the most basic rules of chess. As the school year progresses, participants will learn more advanced techniques. The club ends the school year by hosting its very own tournament, complete with prizes!

Robotics Club

Staff Advisor: Nick Richards

Students work together to design and build programmable robots that incorporate motors and sensors. Students also learn to use Blockly coding to program their creations to perform tasks. This club introduces students to the VEX robotics system that is used in Middle School robotics clubs and competitions.

Theatre Club

(Fourth/Fifth Grade Only)

Staff Advisors: Katie Brown and Sarabeth Mason

Theatre Club introduces students to the elements of acting and drama, working to put a production together throughout the course of the club dates.

Tiger Trading Card Game Club

Staff Advisor: Korey Kennedy

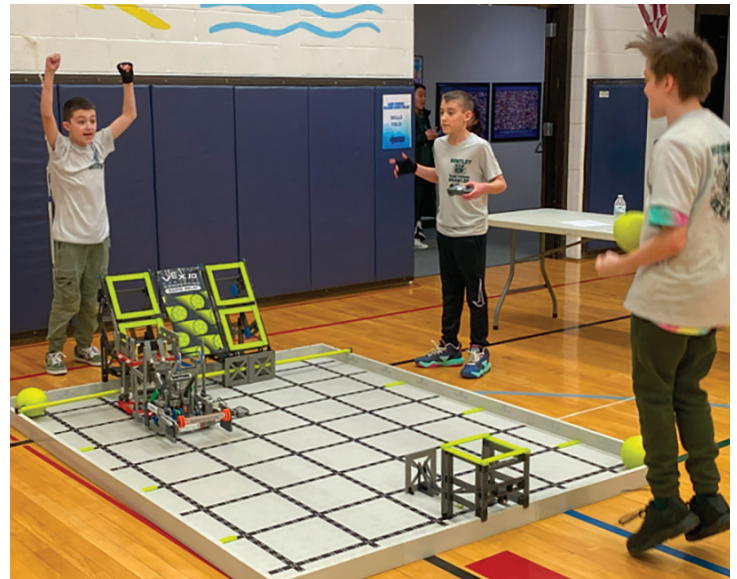

The Tiger Trading Card Game Club teaches students how to improve the play of their favorite trading card games by sharing new strategies for play and facilitating trading card matches amongst the participants. A variety of card games are available for students to choose from. Participants are encouraged to bring their personal collections to participate.

Animal Club

Staff Advisor: Shannon Gillis

Open to all animal lovers, Animal Club shares and promotes proper care for animals. Participants will learn how to care for their own pets and how to advocate for all animals in the community.

Battle of the Books

Staff Advisor: Jennifer McGuinness

Do you love to read? Do you want to use your reading trivia skills to battle teams from other schools? If so, Battle of the Books might just be the club for you! We read and discuss ten books and compete against other schools in a day-long competition in March at a local college.

Chess Club

Staff Advisor: Thomas Aldridge

Chess Club trains stronger chess players in our Middle School. Participants learn how to play chess and when to utilize various strategies. Chess matches against other club members are scheduled so students can test their skills.

Comic Book & Anime Club

Staff Advisor: Jaykob Neddo

Students dive into the world of anime and comics in Comic Book & Anime Club! Students will explore their favorite series, discover new ones and connect with fellow fans. Popular titles, fan art, and Japanese culture will be explored through crafts and activities.

Craft Club

Staff Advisor: Jenna Hall

Exercise your creativity with Craft Club. Participants will learn and practice different craft activities. Get ready to unleash your imagination and explore your artistic talents!

Diversity Club

Staff Advisor: Elizabeth Whitty

Students of different backgrounds come together to make connections and build community in this club. The Diversity Club celebrates all identities and works to spread its message of acceptance throughout the Hudson Falls School District.

Esports

Staff Advisor: Meghan Ross

Esports describes the world of competitive, organized video gaming. Competitors from different leagues or teams face off in the same games that are popular with at-home gamers: Rocket League, Super Smash, Mario Kart, League of Legends, and more.

Girls on the Run

Staff Advisor: Johanna Reese

The nationwide organization Girls on the Run is a fun, evidence-based program that inspires participants to recognize their inner strength, increase their level of physical activity, imagine their possibilities, and confidently stand up for themselves and others. The club teaches essential life skills through movement.

Intro to Volleyball Club

Staff Advisor: Ashlie Dolphin

Learn the sport of volleyball and play against others that are new to the game. Volleyball is a team sport that requires organization among players. Club members will work as a supportive group to develop their team-building skills.

Jazz Band

Staff Advisor: Jaimen Hume

Jazz Band is for our student musicians who have an interest in the jazz genre. Learn to play classical and modern jazz pieces with peers who share your appreciation for jazz.

Journalism Club

Staff Advisor: Meghan Ross

In Journalism Club, students will create new stories on current events they would like to share with their peers! The club practices interviewing skills, writing articles, and producing/editing videos. There is a place for everyone in the Journalism Club, whether in front of the camera or behind the scenes.

No Place for Hate

Staff Advisors: Kate Diamond and Erin Esposito

This club empowers students to build a more inclusive and respectful school community. Through discussions and interactive activities, we'll explore important values like respect, tolerance, kindness and self-awareness. Members will also take an active role in promoting positive change by planning school-wide initiatives, from creating posters and announcements to producing videos.

Operation Santa (Walk/Run/Jog)

Staff Advisor: Maureen Niesz

Operation Santa Claus brings gifts of food, clothes, and toys to underprivileged children each holiday season. Funding for the donations comes from their annual walk/run/jog, where participants collect pledges from members of the community for every mile they cover.

Orchestra Club

Staff Advisor: Jesse Stevenson

An orchestra is a large group of musicians who play a variety of different instruments together, usually playing classical numbers. Learn how a group can play as one with our Orchestra Club.

Photography/Yearbook Club

Staff Advisor: Elizabeth Whitty

This club works to design, photograph, print, and produce the annual Hudson Falls Middle School yearbook each school year. Yearbook Club provides students with an opportunity to learn advanced computer technology, the basics of desktop publishing, graphic design, and photography basics.

Quest Club

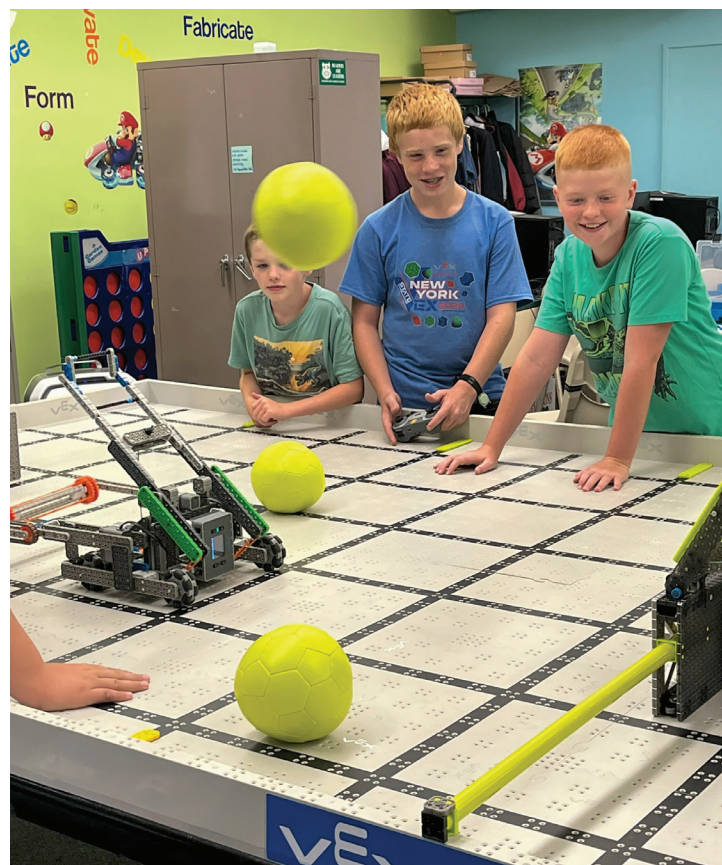

Staff Advisor: Joy Lindsay

Join us twice a week to transform a classroom into a world of interactive, hands-on challenges. Collaborate with your team to solve each episode's quest, inspired by engaging stories. Ignite your curiosity, spark your creativity and experience the excitement of team-based learning!

Quiz Bowl Club

Staff Advisor: Monica Moran

Students will test their knowledge and compete against other schools. We're a student organization where members practice and compete using a buzzer system to answer questions on a wide range of academic subjects, from history and science to literature and current events.

Ski and Snowboard Club

(Open to students in middle and high school)

Staff Advisors: Harold Cloud and Kirsten Kruk

The Ski and Snowboard Club is for students interested in night skiing at West Mountain. The club catches a bus at the Middle School on six Wednesdays during the winter. A club permission slip and West Mountain registration is required. Any member with three years or less experience must register for lessons.

Spanish Club

Staff Advisor: Brianna Steele

The Spanish Club proposes to promote awareness, appreciation, and understanding of the people and diverse cultural productions of the Spanish-speaking world. It is a great place for students to learn the language and practice it with peers.

Strategic Games Club

Staff Advisor: Jaykob Neddo

The club is about learning to play tabletop and role playing games as well as writing and telling stories. Participants will play games against one another.

Student Council

Staff Advisor: Meghan Ross

The Student Council is a representative government of students that makes decisions about activities, clubs, assemblies, and other school-wide matters. Their goal is to make all students feel heard and included in a positive school experience. Any Middle School student may join the Student Council. Members are actively involved in various events throughout the year and will participate in fundraisers that positively impact the school community.

VEX Robotics Club

Staff Advisor: Cami Samuelson

Our Robotics Club uses VEX IQ technology to power robots. VEX IQ is a snap-together robotics system designed to provide new and advanced users the chance to practice engineering principles. Students work in teams to design, build, drive, and program robots in order to compete in the yearly VEX Robotics challenge. Participation in local tournaments is encouraged.

After School Weight Room

Staff Advisor: Chris Doody

Students are welcome to join us for workouts after school to improve or maintain their muscular endurance, cardio, and flexibility. Students will get a chance to explore the different levels of training using free weights and universal machines.

Art/Scenery Club

Staff Advisor: Erin Challen

This club coordinates with our Drama Club to design and paint the set for the spring musical production. Painting and planning starts at the beginning of February. The club meets after school and on Saturdays until the opening week of the show, which is typically planned for the end of March. No painting experience is necessary. The club is open to all HFHS students.

Book Club

Staff Advisor: Kelly Heath

Book Club meets after school twice a month in the high school library. Students choose one book a month to read and discuss with peers at meetings. The club has the ability to plan a field trip or two during the school year.

Drama Club

Staff Advisor: Rene Roberge

Drama Club consists of a passionate group of student performers, directors and crew members, dedicated to bringing stories to life on stage. Each year, the club showcases its talent with a fall play and a spring musical. Whether you are a seasoned performer or new to the stage, there's a place for everyone in Drama Club!

Esports

Staff Advisors: James Delancey and Lea Houle

Esports officially stands for electronic sports, not to be confused with video games. Esports takes video gaming to another level with organized competitive gameplay between two teams, governed by its own set of rules and guidelines. Esports requires teamwork, communication, critical and strategic thinking, creativity, sportsmanship, and leadership — much like traditional sports.

Hudson Falls Future Farmers of America (FFA)

Staff Advisor: Maggie Hogan

In 2023, Hudson Falls CSD was officially awarded with a FFA chapter and charter. FFA is a vibrant student organization that uses agricultural education to transform lives and prepare members for outstanding leadership, personal development, and career success. Through practical experiences, FFA members' potential is developed and their talents are discovered, providing them with the skills they need to succeed in the real world.

Key Club

Staff Advisor: Meghan McGurl

Key Club is the oldest and largest service program for high school students! It is a student-led organization that teaches leadership through service to others. Members of the Kiwanis International family, Key Club members gain quality leadership skills and build character as they serve their schools and communities. Key Club has approximately 260,000 members in approximately 5,000 clubs. Key Club is represented in 31 countries. The Hudson Falls High School Key Club participates in many community service activities, fundraising events, and leadership conferences. Once members reach their senior year of high school, they become eligible to apply for many scholarships through Kiwanis International to reward the work they have done.

Mock Trial

Staff Advisors: Andrew Companion and Mark Frament

A mock trial is an act or imitation trial. In this educational club, high school students have the opportunity to gain first-hand knowledge of civil/criminal law and courtroom procedures. Participants will experiment with trial law, developing skills like persuasive writing, critical thinking, public speaking, and performance.

Photography Club

Staff Advisor: Ella Hoag

Capture your world! Join us to explore the art of photography. Learn about composition, camera function, working with light and how to critique photos. Students will have a chance to showcase their best work at the Celebration of the Arts in May.

Pickleball Club

Staff Advisor: Mary Hilliard

Love a fun and fast-paced sport? Students (and teachers) of all skill levels are welcome to learn and play pickleball. We'll provide the equipment, so just come ready to learn the basics—scoring, positioning, paddle skills and strategy. Participants will also learn about the importance of teamwork in doubles play, though singles is an option too.

Quiz Bowl

Staff Advisor: Margaret Hickey

Quiz Bowl is a game in which two teams compete head-to-head to answer questions from all areas of knowledge, including history, literature, science, fine arts, current events, popular culture, sports, and more. There are also tournaments for individual players. Any fans of Jeopardy or trivia will excel at this fast-paced team competition.

Rainbow Alliance

Staff Advisor: Jordan LeClair

The Rainbow Alliance is a safe space for all students to come together and promote understanding and equality. We work to create a school where everyone can be themselves and stand up against discrimination.

Roots and Shoots

Staff Advisor: Colleen Mager

Roots and Shoots is a service club whose goal is to make the world a better place for all living things. Club members organize recycling at the school, participate in roadside clean-ups, invite guest speakers, go on field trips, host a pot-luck dinner and tackle new projects every year. Joining Roots and Shoots is a great way to have a positive impact on the world around you.

Ski and Snowboard Club

(Open to students in middle and high school)

Staff Advisors: Harold Cloud and Kirsten Kruk

The Ski and Snowboard Club is for students interested in night skiing at West Mountain. The club catches a bus at the Middle School on six Wednesdays during the winter. A club permission slip and West Mountain registration is required. Any member with three years or less experience must register for lessons.

Spanish Club

Staff Advisors: Colleen Mager and Marissa Riggi

The Spanish club is for students in grades 9-12 who are interested in having a great time participating in cultural activities from the Spanish speaking world. Spanish Club members cook, have game nights, movie nights, take field trips and much more! The club is open to high school students interested in improving their literacy of the language.

Spirit Club

Staff Advisor: Greg Smith

Show off your school spirit! Participants will use this space to create posters promoting school activities using traditional and digital art materials. Go Tigers!

Strategic Games Club

Staff Advisor: Lea Houle

Strategic Games Club is a fun opportunity for students to interact with other students who have a shared interest in games and allows them to be in a safe, accepting community environment. Students are able to play games such as chess, Pandemic, checkers, Pathfinder, Catan and others. The games are strictly regulated to board games, to allow students to develop social and interpersonal skills, and enhance their problem-solving and critical thinking abilities.

Student Council

Staff Advisors: Lisa Hogan and Sondra Smith

The Hudson Falls High School Student Council is a community building organization. The club works within the high school community and organizes outreach opportunities in the greater Hudson Falls community. The Student Council plans school based events throughout the year, including spirit weeks for Homecoming, winter holidays, and a spring celebration. The Student Council also hosts a fall/winter semi-formal and a spring neon dance. Community outreach events include our Thanksgiving Basket initiative and St. Baldrick's Day event to raise money for childhood cancer. All students are invited to be a part of the Student Council.

Trap Shooting Club

Staff Advisor: James DeLancey

Test your aim and reflexes! Trap Shooting is a precision sport that develops focus, discipline and hand-eye coordination. Compete against other schools and improve your skills in this rapidly growing high school sport.

Vex Robotics

Staff Advisors: Jordan LeClair and Kristen Saville

Students in VEX Robotics are tasked with designing and building a robot to compete in various challenges, competitions, and tournaments throughout the year. VEX Robotics competitions prepare students to become future innovators—95% of participants reporting an increased interest in STEM subject areas and pursuing STEM-related careers!

PROUDLY, WE ARE THE
HUDSON FALLS TIGERS

We exist to create opportunities for students to become confident, lifelong learners and successful, engaged members of the larger Tiger community.

For all students, we believe supportive relationships, broad opportunities, and high expectations pave the way for each individual to grow, reach their potential, and fulfill their purpose.

Our schools are a place where together we foster curiosity, remain ever-optimistic, adapt to a changing world, and deliver greatness.

To deliver greatness, we maintain our unwavering sense of Tiger Pride with trust, respect, collaboration, communication, and a supportive community with expectations for excellence.

NONDISCRIMINATION POLICY/EQUAL OPPORTUNITY POLICY

The Hudson Falls Central School District does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the nondiscrimination policies:

Kevin Polunci, Executive Director of Business and Human Resources
80 E LaBarge Street
Hudson Falls, NY 12839
(518) 747-2121
